Use of personal protection equipment (e.g masks and gloves)	Yes	No
Use of sanitizer products and alcohol	Yes	No

27. What is the maximum number of days you think you could cope without meeting family or friends not living in your household in person?

- 1
- 2-7
- 8-14
- 15-21

- 22-28
- 29-35
- 36-42
- 43-49
- 50-56
- 57 or more

28. What is the maximum number of days you think you could cope with not going out in public, assuming that you have sufficient supplies of food, medicines and other essential items?

- 1
- 2-7
- 8-14
- 15-21
- 22-28
- 29-35
- 36-42
- 43-49
- 50-56
- 57 or more

29. What is the maximum number of days you think you could cope with going out only for essential needs/work?

- 1
- 2-7
- 8-14
- 15-21
- 22-28
- 29-35
- 36-42
- 43-49
- 50-56
- 57 or more

30. How much do you agree with the following statements?

	Strongly disagree	Slightly disagree	Neither agree nor disagree	Slightly agree	Strongly agree
I would comply with government enforced quarantine/isolation/social distancing.					
I would enter voluntary quarantine/isolation/social distancing for social/self-responsibility.					

31. How much do you agree with quarantine/isolation/social distancing?

	Strongly disagree	Slightly disagree	Neither agree nor disagree	Slightly agree	Strongly agree
It is a necessary strategy to help control COVID-19.					
I have been/would be able to participate in my work life.					
I have been/would be able to participate in my private life.
